To Whom it may Concern:

Nanaimo Rowing Club is offering your business a limited opportunity for one of 65 advertising spots. For \$350 you can purchase the right to a 9 inch long by 4.5 inch high logo spot on our boat trailer for a period of three years. Do not miss out on this opportunity! During your time as one of our sponsors the trailer will be directly seen on the road travelling to and from events, as well as at them, on Vancouver Island, in BC, and in Washington State. In addition, the trailer has its own twitter feed (NanaimoRowing @ rowingtrailer1), and YouTube Channel. Tweets and video will be posted while on the road and at events. We will take the first 65 advertisers who submit the payment of \$350 and provide us with a 300 ppi resolution image of what they want advertised, sized to fit the allotted space. However, we do reserve the right to refuse inappropriate advertisements. For example we are not permitted by Rowing Canada to advertise Smoking or Alcohol related products.
